● Descriptor	Warm white #FFE7C2
● String bulb 1	Cranberry #C2413C
● String bulb 4	Light blue #5B9BD5
String order	red · amber · green · blue · warm white

Notes for the digitiser

Gradient	Thread can't render it — 2–3 amber tones, lightest upper-left
Light string	Satin wire, filled bulbs. Do not drop it — it names the trade
Effects	Flat fill only. No puff, foam, bevel or outline
Back method	Quote embroidery <i>and</i> tackle twill for the wordmark
Approval	Sew-out on actual garment fabric before the run
