● Cap / ferrule	Frost green #3E8F6E
● Wordmark	Snow #F7F9FC
● Descriptor	Slate #93A2B8
● Phone number	Bulb amber #FFC46B

Notes for the digitiser

Gradient	Thread can't render it — use 2–3 amber tones, lightest upper-left
Effects	Flat fill only. No puff, foam, bevel or outline on the mark
Back method	Quote embroidery <i>and</i> tackle twill — 11in is a high stitch count
Wordmark	Never stretch, rotate or arch
Approval	Sew-out on actual garment fabric before the run
